

You Don't Know Love

Olly Murs

Verse 1

I don't wanna be your lover, I don't wanna be your fool
Pick me up whenever you want it, throw me down when you're through
'Cause I've learned more from what's missing, it's about me and not about you
I know I made some bad decisions but my last one was you

Pre Chorus

Thanks to you I know lies, lies, lies
How it feels when love dies, dies, dies
And you told me goodbye, bye, bye
I don't know when it's over, when it's over

Chorus 1

You don't know love 'til it tears up your heart
And cuts and it leaves you with scars you're still feeling
You don't know love, you don't know love

Verse 2

You say I can't do better, better than someone like you
What I feel, can't write in a letter, so I wrote this for you

Repeat Pre Chorus

Chorus 2

You don't know love 'til it tears up your heart
And cuts and it leaves you with scars you're still feeling
You don't know love, you don't know love

You don't know love 'til it feels like you died when it's missing
It leaves you blind with no vision
You don't know love, you don't know love

Middle 8

(You, you, you, you) You won't ever get no better
(You, you, you, you) Got a lot more to lose
(You, you, you, you) You won't ever, ever get it
You don't know love, you don't know love, you don't know love

Chorus 3

Tears up your heart and cuts and it leaves you with scars you're still feeling
You don't know love, you don't know love
You don't know love 'til it feels like you died when it's missing
It leaves you blind with no vision
You don't know love, you don't know love (you, you, you, you)
