

You're All I Need To Get By

Marvin Gaye & Tammi Terrell

You're all I need to get by, ahh

Verse 1

Like sweet morning dew, I took one look at you
And it was plain to see, you were my destiny
With arms open wide, I threw away my pride
I'll sacrifice for you, dedicate my life to you

Chorus 1

Oh (I will go where you lead) Come on baby
(Always there in time of need) Oh, oh, oh
And when I lose my will
You'll be there to push me up the hill
There's no, no looking back for us
We got love sure 'nough, that's enough
You're all, you're all I need to get by

Verse 2

Like an eagle protects his nest, for you I'll do my best
Stand by ya like a tree, dare anybody to try and move me
Darling in you I found strength where I was torn down
Don't know what's in store but together we can open any door

Chorus 2

(Oh baby) Just to do what's good for you
(Come on darling) and inspire you a little higher
I know you can make a man out of a soul that didn't have a goal
Cause we, we got the right foundation and with love and determination

You're all, you're all I want to strive for and do a little more
You're all, all the joys under the sun wrapped up into one
You're all, you're all I need
You're all I need
You're all I need (oh) to get by

Honey, honey, honey, honey, honey

You're all I need to get by, ahh
You're all I need to get by, ahh
