

Another Star

Stevie Wonder

La la la la la la la la la (x4)

Verse 1

For you, there might be another star
But through my eyes the light of you is all I see
For you, there might be another song
But all my heart can hear is your melody

Vamp

So long ago my heart without demanding,
Informed me that no other love would do
But listen did I not though understanding
Fell in love with one, who would break my heart in two

Verse 2

Oh, for you, love might bring a toast of wine
But with each sparkle know the best for you I pray
Oh woah, for you, love might be for you to find
But I will celebrate our love of yesterday

Repeat Vamp

Oh oh

Verse 3

For you, there might be another star
But through my eyes the light of you is all I see
For you, there might be another song
But in my heart your melody will stay with me

Breakdown

Oh way oh way, oh way oh oo ah (x2)

Come on, shake your body baby, do the conga
I know you can't control yourself any longer
Feel the rhythm of the music getting stronger
Don't you fight it 'till you try to do that conga beat, the rhythm is gonna get 'cha
