

Finally

Cece Peniston

Verse 1

Meeting Mr. Right, the man of my dreams
The one that shows me true love, or at least it seems
With brown cocoa skin and curly black hair
It's just the way he looks at me, that gentle loving stare

Pre Chorus

Finally you come along, the way I feel about you, it just can't be wrong
If you only knew the way I feel about you, I just can't describe it, oh no no

Chorus

Finally it has happened to me, right in front of my face, nothin less can describe it
Finally it has happened to me, right in front of my face and I just can not hide it
Finally it has happened to me, right in front of my face, nothin less can describe it
Finally it has happened to me, right in front of my face and I just cannot hide it

Verse 2

It seems so many times, he seemed to be the one
But all he ever wanted was to have a little fun
But now you've come along and brightened up my world
In my heart I feel that I'm that special kind of girl
