

## Love Theory

Kirk Franklin

### Verse 1

How can it be, that you love the most unlovable part of me, of me  
How could you see, your life was the only gift I'll ever need, to be free

It's amazing with you, I win even if I lose  
Everything's working for my good for always

### Chorus

He saves the day, he will come through,  
He won't fail, that's not what superheroes do  
No greater love makes my heart beat,  
All I wanna do is make you proud of me

### Vamp

I don't wanna love nobody but you  
I don't wanna love nobody but you  
I don't wanna love nobody, love nobody but you

### Verse 2

How can it be, everyone of my secrets that you'll keep, you cover me  
A mystery, your patience with me that will never leave, don't ever leave

Help me to see like you, no matter what I go through  
Everything's working for my good for always

### Repeat Chorus

### Middle 8

Loving you will be, will be the death of me  
That's how it's s'posed to be, more of you, less of me  
Loving you will be, will be the death of me  
That's how it's s'posed to be, more of you, less of me
