

Maternity Membership

We know how much life can change when people start their own families. We want to do everything we can to support our members when they decide to start or grow their family.

For members who may become pregnant or welcome new children in to their family, we offer a maternity/paternity membership option. This is charged at a rate of £7 per month. It keeps membership (and access to the members' area) active whilst the member is unable to attend in-person.

Members can stay on this rate for up to 1 year.

As soon as members look to return to physical sessions, the full membership rate will need to be reinstated.

Members should email dan@lovesoulchoir.com if/when they'd like to set up the maternity membership.

Any other requests for similar reduction to membership will be considered on a case by case basis.
