

## 365

Zedd & Katy Perry

### Verse 1

Waking up next to you in the middle of the week  
Never needed anyone to send me off to sleep  
And I know I said go slow, but I can't hold back no more  
Got a premonition this ain't gonna be a fling

You make a weekend feel like a year,  
Baby, you got me changing  
24/7, I want you here  
I hope you feel the same thing

### Chorus

I want you to be the one that's on my mind, on my mind, on my mind  
I want you to be there on a Monday night, Tuesday night, every night  
Are you gonna be the one that's on my mind? 365, all the time  
I want you to be the one to stay, you give me the night and day

### Verse 2

Love it when you come back and can't take it when you leave (leave)  
Got me fantasising our initials already  
And I wanna just let go, falling deeper than before  
Say that you are ready, lock it up in a heartbeat

### Repeat Chorus

### Middle 8

I think about you (hey) all the time  
24/7 (hey) 365  
I think about you (hey) all the time  
24/7 (hey) 365

Are you gonna be the one-ah?  
Are you gonna be the one-ah?  
Ooh...  
I want you to be the one

### Repeat Chorus

### Repeat Middle 8
