*Hear me out, this is my king's speech, I'm nowhere near the end  
If I st-st-st-stutter, sorry I ain't heaven-sent  
I messed my life up and yeah I've been down, I'm a changed man now  
You know I feel your pain, 'cause I've done been through it  
I'm Kurt Cobain but I just couldn't do it, no point in turning back  
Just to hit rewind, back to the future, Ma-marty McFly*

### Verse 1

Deep inside there's a fire, 'cause I'm no longer looking at a reflection that I admire  
I paint the picture of a fighter but there's someone's looking back at me says I'm a liar

### Pre Chorus

If I should die before I wake, the least that I could ever say  
I made mistakes but held on to my faith

### Chorus

'Cause when I look in the mirror, I don't even recognise myself  
I got the heart of a winner but looking back at me is someone else  
No regrets, no regrets, no point in crying over yesterday, ay  
No regrets, no regrets, 'cause we ain't even seen the best of days

### Repeat Intro

### Rap Verse 2

*This is my last chance, I'm on my final straw  
I came so close to b-b-breaking like a spinal chord  
I came from nothing, some kid in Camden, now I'm flying in the birds, Richard Branson  
I'm a prince, yes I will get the crown, Kate stays in my dungeon when her sister's 'round  
So please forgive me if I make mistakes, I'll blow the bloody doors off, Michael Caine*

### Repeat Pre Chorus

### Repeat Chorus

### Middle 8

'Cos I'm free to be whatever I  
'Cause I'm famous, call me Gallagher 'cause I'm so shameless  
The papers saw the pages that the cost of my failures  
Victimised by the public, don't know if I could take it, so I sing

So when you feel like there's no more and nothing left but the life you've broken  
No regrets, no turning back, pick up yourself and tell 'em I'm just being me
