

I Wish It Could Be Christmas Everyday

Wizzard

Verse 1

When the snowman brings the snow
Well he just might like to know
He's put a great big smile on somebody's face
If you jump into your bed
Quickly cover up your head
Don't you lock the doors
You know that sweet Santa Claus is on the way

Chorus

Well I wish it could be Christmas everyday
When the kids start singing and the band begins to play
Oh I wish it could be Christmas everyday
Let the bells ring out for Christmas

Verse 2

When we're skating in the park
If the storm cloud paints it dark
Then your rosy cheeks gonna light my merry way
Now the frosticles appear
And they've frozen up my beard
So we'll lie by the fire till the sleep simply melts them all away

Repeat Chorus

When the snowman brings the snow (when the snowman brings the snow)
Well he just might like to know (well he just might like to know)
He's put a great big smile on somebody's face
So if Santa brings that sleigh (so if Santa brings the sleigh)
All along the milky way (all along the milky way)
I'll sign my name on the rooftop in the snow
Then he may decide to stay

Repeat Chorus (x2)

Why don't you give your love for Christmas?
